Federal Direct PLUS (Parent Loan for Undergraduate Students) is a loan program for parents to help finance the cost of their child's education. The Department of Education funds the loan through the U.S. Treasury. Interest rates and loan fees are determined annually by the Department of Education. Please see below for general information regarding PLUS for academic year 2015-2016:

**Interest Rate:**
Fixed at 6.84%

**Loan Fee:**
4.292% for loans where the first disbursement is before 10/1/2015 or 4.272% for loans with a first disbursement date on or after 10/1/2015. Loan fees are deducted from the total amount borrowed prior to each disbursement.

**Maximum Eligibility:**
The maximum amount a parent can borrow is determined by the total cost of attendance minus any outside resources and financial aid awarded. Please refer to your financial aid award letter for these amounts.

**Credit Check:**
A credit check is required by the Department of Education as part of the PLUS application process. If a parent is denied a PLUS, the student may qualify for additional funds from the Federal Direct Unsubsidized Loan program. Please contact our office if you need more information about this.

**How to Apply:**
1. Complete and submit a FAFSA (www.fafsa.gov)
2. Log in to www.studentloans.gov and complete the Department of Education PLUS request process.
3. Complete and return the Connecticut College PLUS Request Form to the Connecticut College Financial Aid Office.
4. For first time borrowers: Log in to www.studentloans.gov and complete a Master Promissory Note.

**When to Apply:**
We will begin processing PLUS loans on or about July 15, 2015. Once approved, the credit check is only good for 30 days. Because of this time schedule, you should apply for the loan no earlier than June 30, 2015.

**Repayment:**
Repayment of principal and interest begins after the second disbursement of the loan and will be arranged with your Federal Loan Servicer.
Information regarding payment deferment eligibility will be available at the time you complete the online Department of Education application.

**Disbursement of Funds Schedule:**
PLUS is payable in two disbursements per federal regulations as follows:
1. For full academic year loans: one half of the total at the beginning of each semester or
2. For a one semester only loan: one half at the beginning of the semester and the remaining half midway through the semester.

Loans will only be disbursed to the student's account when all of the following have occurred:

2. All necessary loan requirements are met
3. The loan has been certified by the College and approved by the lender
4. The student is currently in active status and enrolled in sufficient (at least 12) credits hours
