CONNECTICUT COLLEGE

Conn Giving Day is this week! On April 4-5, for 1911 minutes you can join hundreds of Camels from all over the world by supporting an area of the College that means the most to you. Celebrate Connecticut College's 113th birthday with a gift to support talented students and dedicated faculty.

A collage of four images: top-left shows a group of diverse students smiling; top-right shows a swimmer in a pool; bottom-left shows a scientist in a lab coat and gloves working with a beaker; bottom-right shows a student wearing a VR headset. The collage is set against a dark blue background with the text 'CONN GIVING DAY' in large, white, outlined letters. Below the collage, the text 'APRIL 4 & APRIL 5 2024' and 'IMAGINE CONN'S FUTURE TOGETHER' is displayed in white on a dark blue background.
