Honors Thesis Registration Form

Instructions:

- This form, with all required signatures, must be submitted to the Registrar's Office by the end of the Limited Add Period in each of the semesters in which you are pursuing an honors study. This signals your intention to pursue an honors study and simultaneously registers you for the course.
- Register for Honors Study under the subject code of your major.
- You may not register for one Honors Study to be completed for two majors. You may, however, register for and complete two separate Honors Studies in two different majors.
- Students registering for an Honors Study are automatically approved to overpoint with their 497/498 course.
